

2018 HIGH POWER RIFLE METALLIC SILHOUETTE

Sponsored by the

MICHIGAN RIFLE AND PISTOL ASSOCIATION

2018 MATCH DATES:

NOTE: Circumstances are such that Silhouette only has one firm date at Grayling in 2018

June 23 & 24 State Championship (see note under "COURSE OF FIRE:")

LOCATION: Range 10 at the Camp Grayling Military Reservation. Camp Grayling is located off of M-72, just west of Grayling, Michigan. The barracks, administration, etc. are now inside a fenced, security area and, at this time, no personal firearms are allowed within that area.

Range 10, which is outside the security area, can be accessed by two routes described at the end of this program. See accommodations section for additional information on access to the barracks area.

ELIGIBILITY: Participation in these tournaments is open to anyone with a 6mm or larger caliber rifle that meets the specifications in the NRA Silhouette Rule Book. Competitors must be members of the M.R.P.A. (sign-up available at the range) or their home state association.

COURSE OF FIRE: The NRA sanctioned 40 round matches will begin at \approx 10:00 a.m. on Saturday and \approx 9:00 a.m. on Sunday and will consist of ten shots fired at each of the following silhouettes: Chicken (200 yards), Pig (300 meters), Turkey (385 meters), and Ram (500 meters).

Note: For the State Championship, we will have two 40 shot matches for the hunting rifle on Saturday and two 40 shot matches for the standard rifle on Sunday.

Reminder: Your hunting rifle can be used to compete in both categories.

SIGHT-IN PERIOD: A sight-in period will be provided from \approx 8:00 to 10:00 a.m. on Saturday and \approx 8:00 to 9:00 a.m. on Sunday. Bench rests will be available to use for sight-in on the hanging targets (gongs). **No silhouette targets on stands will be shot from the benches.**

Practice from the standing position will be allowed on all targets.

SAFETY: Empty Chamber Indicators (available at range) will be in place at all times except between the READY and CEASE FIRE commands. Rifles will be removed from the firing line prior to target service. The next relay will not take their rifles to the firing line until instructed to do so by the range officer after target service. Always carry your rifle with the muzzle up. After being placed in the rack on the firing line, rifles are not to be handled prior to the READY command. Each competitor is allowed one coach on the firing line. All others (except scorekeepers) must remain behind the line (off of the berm).

NOTE: Eye and ear protection is required for all people on the firing line.

LIABILITY: The M.R.P.A. and officers accept no liability for personal injury, theft, or property damage involving competitors, spectators, or target setters.

CLASSIFICATION: The NRA Silhouette classification system will be used. Classification books must be presented when registering at the range. Shooters without classifications will be placed in the highest class for their first match and will then be put in their appropriate class, based on the score from their first match, for the second match. If there are five unclassified shooters at a tournament, they will stay in that class for the entire tournament and an award will be given for that class.

ENTRY FEES: Entries will be taken at the range on the day of the match. Entry fees below include both matches. One-day match fees are available and junior entry fees are one half regular entry fees.

Entry fee – One rifle \$40.00, Two rifles \$50.00

State Championship entry fee – One rifle \$35.00, Both rifles \$55.00

M.R.P.A. Annual membership – \$20.00 Juniors – \$10.00

NRA Classification book – \$13.00

Note: Entry fees will be waived for a competitor who is certified as an EMT and is willing to serve as our EMT for the match. You must contact the match director at least two weeks prior to the match so arrangements can be confirmed.

SPECIAL INTRODUCTORY OFFER: For those who have never shot any type of silhouette before, your entry fee will include the M.R.P.A. membership!

SQUADDING: These are squadded matches. Competitors wishing special squadding should get to the range early!

SCORING: Scoring will be on the scorecards provided. Competitors are required to score the relay immediately following their relay. Tie scores will be broken by shoot-off, immediately after each day's firing.

TARGETS: Competitors, who are able, will set targets.

RULES: Current NRA rules and regulations will apply. These may be obtained from NRA.

Reminder: It is the competitor's responsibility to be in compliance with all rules. Those not in compliance will not be eligible for awards; however, they may be permitted, most likely encouraged, to participate, subject to the discretion of the match director.

HIGH POWER SILHOUETTE RIFLE: A rifle, 6mm or larger in caliber, meeting the NRA Rule 3.1 specifications.

HIGH POWER HUNTING RIFLE: A hunting style rifle, 6mm or larger in caliber, meeting the NRA Rule 3.1.1 specifications.

AWARDS: Daily awards for standard and hunting rifle, and aggregate awards will be given as follows:

	Daily Awards	Aggregate Awards
Match winner	\$10.00	\$20.00
1st place (five or more in a class)	\$ 7.50	\$15.00
2nd place (eight or more in a class)	\$ 5.00	\$10.00
3rd place (twelve or more in a class)	\$ 3.50	\$ 7.00

If there are two, three, or four competitors in a class, the class award will be for first aggregate only. If there is only one competitor in a class, the competitor will be combined into the next higher class. Deviations from this schedule based on total attendance will be announced before the start of the match. Awards will be distributed immediately after each match in an awards ceremony. Five and ten in-a-row pins will also be awarded.

RECREATIONAL SHOOTING: After the match is completed on Saturday, the range will remain open for additional shooting. Bring out all of those extra guns you never shoot! We will be shooting out to 1000 yards, from any position, or off of the bench.

ACCOMODATIONS: Motel accommodations are available, but should be reserved in advance as they are often filled. Camping facilities are also available in nearby campgrounds and free, primitive camping is available at Range 10. Barracks and bath facilities are usually available in Camp Grayling. Inquire at Range 10 on Friday evening or Saturday to obtain directions and the barracks number. If you do stay in the barracks, all belongings must be removed before the match Sunday morning.

As indicated earlier, the barracks are inside a fenced, security area. You will need to have your name and driver's license number included on a list of persons participating in our matches that MRPA provides to Camp Grayling, in order to access that area. Please call in advance to have your name added to the list.

No personal firearms or ammunition are permitted within the security area at this time, so if you desire to stay in the barracks you must make arrangements to store your firearms outside of the security area. There are a couple of alternatives that you may want to consider after discussions with us.

MEALS: There is no scheduled lunch break or catering service provided, so bring your own.

Weather permitting, there will be a pot-luck cook-out on Saturday evening during the August match.

January 12, 2018

Alternate Routes (A.&B.) to Range 10 w/o Passing Through Security Area

A. -Via Arrowhead Road (the historic "Back Way") Best when coming from west.

- ! Starting just west of Grayling at the M72 – M93 junction, take M72 west 4.7 miles and then turn left (west) onto Arrowhead Road. Yes, that is correct. M72 is going NW there.
- ! Continue west on Arrowhead Road 1.1 miles until it curves left (south) and turns into Kalkaska County Line Road.
- ! Continue south on Kalkaska County Line Road 0.7 miles and then bear right (west).
- ! Continue west 0.4 miles and then take the left fork (SW) onto Portage Creek Road.
- ! Continue SW 0.5 miles on Portage Creek Road and then turn left (SE) (this takes you into Camp Grayling).
- ! Continue SE 0.3 miles and then turn right (SW) at the sign that directs you to Range 18.
- ! Continue past the road to Range 18 (0.3 mi.) through the S-curve to the right and then back left for a total of 2.1 miles until you come to the pavement at the Portage Creek Bridge.
- ! Continue on pavement 1.4 miles to stop sign at Howe Road and then turn left (east).
- ! Continue east 0.4 miles to Range 10 on the left (north) side of the road.

B. -Via "South By-Pass" (the "New Way"???) Best from north, south or east.

Note: There is currently no official Highway Dept. designation/name for this route.

Reference: S Military Road runs N-S between M93 (main route into Camp Grayling) and US 127 (Exit 206).

The M93/S Military Road junction is approximately 0.2 miles before the Camp Grayling main gate.

W 4 Mile Road runs E-W at exit 251 on I-75. Go west 3.0 miles to S Military Road.

- ! The entrance for the "South By-Pass" route is on the west side of S Military Road adjacent to a sign reading "Hanson State Game Refuge". (≈ 5702 S Military Road, Grayling, MI)
 - ! This point is approximately 0.3 miles north of the junction of S Military Road and W 4 Mile Road & 2.4 miles south of M93.
 - ! Proceed on the "South By-Pass" 3.1 miles to the tee at Howe Road (pavement).
- Note: The road is well maintained, but has numerous curves and passes through a gravel pit.
Make no turns or forks onto side roads. Stay on the main gravel road.
The back gate to Camp Grayling is 0.4 mi. to the right (east) of the intersection with Howe Road.
- ! Turn left (west) on Howe Road.
 - ! Continue west 2.5 miles to Range 10 on the right (north) side of the road.

GPS coordinates for the Range 10 firing line are: N44° 37.602' , W 84° 51.910'

Additional info:

The Camp Grayling main gate GPS coordinates (approximate from Google Earth) are:

N 44° 38.0455', W 84° 46.3925'
